**APPRECIATION CERTIFICATE**  
**PRESENTED TO MR SAHAURYA SAINI**

1. In recognition of your outstanding contribution in developing the **Web Based/ Mobile Application for the Weight Calculator for Main Rotor and Tail Rotor Vibration in Cheetah and Chetak Helicopters.**
2. Your innovative tool has been successfully implemented across all units of **Army Aviation**, significantly improving the accuracy and efficiency of vibration correction. It has reduced correction time, lowered fuel consumption and enhanced overall maintenance effectiveness.
3. Your forward-thinking approach in digitizing the manual weight selection process has set a new benchmark in aviation engineering support. We truly value your efforts and look forward to more such contributions from you in the future.
